Adventure Day
2023

BAPP
for Bolts
www.bapp.co.uk

Welcome

TO OUR 5TH ADVENTURE DAY

LUNCH will be served between 11.30am and 1.30pm - Please go for food at a time of your choice.

Welcome everyone and we hope you all have a great day. We have many new families this year as well as those of you we know well. Team LimbBo is like a huge family and we hope you all make lots of new friends today. This page is just some tips for getting the best out of your day and for keeping everyone safe. If you have any questions or you need first aid just find a trustee/ambassador or a volunteer. ENJOY!

Tickets for Creature Ark will have a TIME on them. Please stick to your allotted time

DON'T FORGET!

Just a reminder that there will be a photographer, videographer, Tv Crew and possibly Podcast interviewers around

2.30 Sports events

Don't miss out on our sport races at the end of the day - we even get the grown ups running! Medals will be awarded after this.

How many did you find today?

Amazelab
Art Tent

Assault course (inflatable)

Balloons

Bapp

Bold kids

Bubble station

Creature Ark

Cricket

Emergency service

Exp hand

Face painting

Fairground corner

Gaming van

Gymnastics

Knitting group

Koalaa

lego tent

Limbo tent

Open Bionics

Red van man

Sponge throw

Sport

Story contracting

Tennis

Toddler area

Yorkshire Sculpture Park

Zumba

LimbBo
Foundation

**DID YOU
KNOW?**

As we have many new families this year we thought that it would be a good time to share what we do.

We do not have any paid staff at LimbBo - everything is run completely by volunteers who give up their time and expertise to make this work.

We have 6 trustees: Adam and Katie (Co founders) Jane and Woody (the original trustees) Sarah and Bianca (joined us in 2021).

We are all wearing white lanyards today with our names printed on the front - please say hello or find one of us if you have any questions.

We also have several ambassadors who have a wide variety of roles within LimbBo - they will all be happy to chat to you about their roles.

**A huge thank you
to all of our
supporters and
volunteers - we
could not do this
without you.

What does LimbBo Do?

Supporting our limb different children and their families is our main aim. We have online groups where parents can chat in a safe environment as well as asking questions that other parents can answer.

SUPPORT FOR PARENTS

This is key as many of our parents feel isolated and have worries when they first learn about their child. New parent packs, booklets in maternity units and signposting how they can meet other parents is proving beneficial

PRODUCING 3D PRINTED ADAPTATIONS OURSELVES

We have designed and printed 3D bike adaptations which have been distributed worldwide.

SUPPORTING UNIVERSITIES AND OTHER LIMB DIFFERENT CHARITIES

By working together with Universities our children can have a say in what devices are being created for their future. By working in conjunction with other charities we can share ideas and support each other.

RAISING AWARENESS OF LIMB DIFFERENCE

Many people have never met a limb different child and do not know how to react when they do. By raising awareness via school assemblies, lessons, talks to societies, social media... we hope to rectify any misconceptions people have around limb difference

MEET UPS

We currently have a Summer meet up and a Christmas party - these are growing every year. To be able to make friends, play with others 'like you' and have the freedom to be relaxed with 'no one staring' is amazing. Life long friendship made and unconditional support experienced

SAVE
THE DATE

LimbBo Christmas Party

17th December!

MINI MEET UPS

We do have mini meet ups - such as climbing, Stem and outdoor sculpture building. If you are interested in organising a meet up in your area we can support you, just find a trustee or ambassador and have a chat.

LimbBo Bike Cup - V3 2022

The LimbBO Bike adaptation was designed by Adam and is 3D printed. We have sent out hundreds of these WORLDWIDE - our latest one, at the time of writing this, was to Australia. These are completely free - we just need some measurements and we can put you in our order book.

The Glen Crossland Award

This will be awarded to a child who has achieved great things throughout the year and has been a role model for other limb different children.

This award is given in memory of a very close friend of Adam's. They were in bands together in their younger days and later down the line Glen set up a successful marketing business. He was literally one of the first people to support limbBo, saying "I've got this, whatever you need we will make it happen". He helped with the website, made us thousands of flyers, made posters, banners, did all our adventure day videos and everything we needed; he refused a single penny in payment. He saw the vision and did anything for us out of kindness. We sadly lost Glen in 2021, he was the same age as Adam and has left a young family behind so it hits close to home not only because he was a friend. *'He was the kindest person I've ever met and we wanted an award in his name that reflected his kindness to others, determination, success and ambition. The 2023 award in Glen's name will be awarded today'* ADAM x

Resources

LIMBBO RUNNING VESTS

If you have time to spare and would like to be more involved in LimbBo either as a volunteer or by fundraising for us then please have a chat with one of the team.
